

Your Tomorrow

Investing in the future of our firm and our people

Digital Fitness

Raising our collective digital IQ to continuously grow and develop skills through our ***Digital Fitness*** app.

Be well, work well

Supporting each other in pursuing strategies that help us have the **energy** we need, stay healthy, be present and enjoy our work and our lives as part of our ***Be well, work well*** strategy.

Skills for Society

Utilizing the collective skills of the firm to advance societal issues

Be well, work well

PwC's commitment to provide our people the opportunity to realize their *full* potential ... and providing the tools and the environment in which to do so!

*Energizing and empowering
our people*

What does it take?

- To achieve well-being, we need to intentionally focus on and fuel ourselves and our teams across all **four dimensions of energy**

***Greater well-being
allows us to lead
ourselves, so we can
lead others***

- The more we plan for it and the more we lead by example, the more the behaviors will **become habitual** and **the new norm**

Starting out and Making it 'stick'

Feb 1, 2018 marked the start of our first firmwide well-being habit challenge.

Over 5,000 teams across the US.

That means that over **45,000** made a plan!
